WHERE WE'RE GOING: SAVE THE DATE!

Jan 1, 2019: Happy New Year! No matter how many new memories we make in the year ahead, we will never lose the beautiful memories of those we have loved and lost. Their spirits live on in our hearts. Mahalo to all our staff and volunteers for all you have done for terminally ill patients and grieving families this past year.

Jan 31: California Pizza Kitchen Dine & Donate! This fundraiser is being held in benefit of The ALS Association Golden West Chapter and will help support CPK's mission to serve and advocate for the needs of people with ALS. All you need to do is present this flyer (click in this text box to access flyer), and 20% of your meal benefits the Chapter (take-out orders are also eligible with the flyer). This fundraiser is **all-day-long** at the California Pizza Kitchen on 1450 Ala Moana Blvd Suite 3241.

SPOTLIGHT: YEAR-END MESSAGE FROM THE CEO

KEVIN WEBB

As we turn the page from 2018 to 2019 I want to first and foremost thank you, the Islands Hospice team for the tremendous care you have given to those in their last chapter of life. Each of you, representing the many varied disciplines, has honed your craft and shared your gifts to provide the best end of life care Hawaii has to offer. I'm thankful for our teams both in Maui and Oahu!

Together we have accomplished much in this, our 10th anniversary year. Between our three programs (Hospice, Supportive and Transitional Care) we have cared for nearly 2,000 patients and their families, have given over \$500,000 in donations back to the community and have gone over the \$2,000,000 mark in charity care provided over the last 10 years. None of this would happen without dedicated staff and volunteers providing excellent care 24/7.

The world of post-acute care is ever changing and Islands Hospice is committed to staying nimble and fluid in this field so as to provide the highest level of care possible. As every year does, 2019 will bring shifts and adjustments to how we care for patients and families which will require us to make adjustments administratively. Islands Hospice is poised and prepared for 2019 and will continue to lean on the tremendous work of our clinical, marketing and administrative teams.

ISLANDS HOSPICE BY THE NUMBERS:

2008 - 2018: 10 YEAR ANNIVERSARY!

2018 PATIENT COUNT: NEARLY 2,000

2018 DONATIONS TO COMMUNITY ORGANIZATIONS:

I, along with the executive team of Trish, Kim and Chris are honored to be a part of the Islands Hospice Team and thank you for your dedication to passionately providing compassionate care to those facing life-limiting illnesses. As great as 2018 was (and it was an exceptional year for Islands Hospice), I do believe the best years are still ahead of us both in quality of care provided and our ability to grow our reach, making Islands Hospice care more accessible both on Maui and Oahu.

Mahalo Nui Loa,
Kevin Webb
